RE: MARIA FERNANDA – ARTIST (VENEZUELA)

It gives me a great honor and pleasure to invite Ms. Maria Fernanda Lairer to participate in one of the greatest art shows to be held in Miami Florida, USA, this June. My name is Elisha Ben Yitzhak and I am the founder of the International Biennale Artists group, (currently consists of 1,100 international artists). Ms. Fernanda is a member of our group and her participation in our show is vital for its success. This show is unique since it is sponsored by the Honorary Mayor of Miami, Mr. Tomas Regalado, and by the Miami Arts & Entertainment Council. The Mayor of Miami invited our group to establish an annual art show of our group in Miami. To learn more about our group please refer to our Blog <http://unitedstatesbiennaleartists.ning.com>.

Please do not hesitate to let me know if any additional information is required. I thank you in advance for every assistance you may extend to Ms. Maria Fernanda to attend our show.

Sincerely Yours,

Elisha Ben Yitzhak, Artist (USA)
